The **2010 Sam and Rina Scott McGill Family Reunion** is planned for Thursday, July 1–Sunday July 4, 2010 in the beautiful and wonderfully historic city of **Charleston, South Carolina**. The long 4th of July weekend will offer lots of fun activities during our reunion.

Our reunion kick-off Meet & Greet will be the evening of Thursday, July 1st featuring refreshments, event registration and the first opportunity to fellowship with relatives and familiarize yourself with our host hotel the **Residence Inn Charleston Airport** in North Charleston and our reunion's activities.

Included in this package are details of our reunion's schedule, available activities, discounted lodging and transportation information.

We are offering 3 different **payment deadlines** with an increase in cost as the reunion draws closer to encourage early payment. As there are varying deadlines for payments to be made to our service providers we urge you to send in payments prior to the first deadline - **January 30, 2010** - to ensure that we will be able to have all planned activities.

**Payment Plan:** If you are unable to make payments all at once we encourage you to submit payments on a monthly basis in order to meet payment deadlines allowing you to lock-in your desired registration cost and permitting the Reunion Committee to make payments as scheduled.

We are hoping for the biggest reunion attendance ever and request additional volunteers to assist with each activity on-site to make our reunion an enjoyable occasion for everyone. Please contact the Committee to lend a hand as we would love to involve family members from each branch of the family during our time in Charleston.

***Welcome to the city where many scholars argue that the African-American experience in North America began. Scholars support this argument by showing that Charleston - more than any other American city - has preserved the African cultural heritage of African-Americans. In addition, as a city that had an African-American majority for part of its 340-year history, Charleston has been profoundly influenced and shaped by its African-American population.***
